NEWSLETTER

Message from the Imperial Bilob

Bula all

The 2019 Reunion was a great success and the general feedback has been positive from all who attended.

The rates and the dates have been set for the 2020 Reunion and will be published in the May newsletter.

Our condolences and heart felt sorrow go out to all the property owners and people that were affected in the disaster's in the last two months mainly the volcanic eruptions on White Island in new Zealand and the major bush fires throughout Australia.

The 2019 Reunion fundraising activities were a major success and many thanks go out to Sue & Kevin on their efforts in organizing our major event Calcutta and the Melbourne Cup days which amounted to record profits for the club.

It gives me great pleasure to put it in writing that Kevin & Sue were made life members at The 2019 AGM [congratulations Sue & Kevin].

The Scholarship for tertiary education that is organised by Mike Mulcahy has been a great success and he puts huge amount of time and effort in getting the Principal and students to fulfil the obligations to receive our scholarships donations. [Well done Mike].

The Kidney Research Centre has been completed and the Club has fulfilled it's obligations in financing the Construction. Chris Hamilton has been vigorously negotiating with the Minister for Health and the Bio chemistry Department so that when the government receives the Dialysis machine they will be able to be connected.

The rest of the trustees and Andrew have done a magnificent job over the last 12 months and the hard work they put in is showing benefits within the Club.

I thank you trustees and Andrew for your effort and welcome Rob Bendle who was elected as a trustee at the last 2019 AGM.

There are a number of activities the Club has arranged during the year and further page of the newsletter will display rates for the Mid-Year bash. The Club is coordinating

I sign off by wishing everyone healthy 2020 and hope a number of Members would participate in the May Bilob Bar Bash as well as our annual Reunion in October.

PRESENTATIONS OF DONA-

MESSAGE

Bula Members

The club is organising a page in the newsletter to incorporate donations by members. The donation being preschool kindergarten equipment, sporting goods, clothing and cash etc. We require any photographs that have been taken during the donation proceedings by the individual members so as to place them in the newsletter for members to see. There must be a large number of members who do this to show their own gratitude to the organisations and people that have received the donations during the last year.

I would ask any member with photographs to forward them by email to Wana so they can be processed and ready for the next newsletter.

I thank you all again,
Barry Hancock
Imperial Bilu.
